"LET'S TALK"

Track performance Student Portal and Parents Portal

"Let's Talk" is Saarthi IAS's dedicated interactive communication and performance-tracking ecosystem. It bridges the gap between students, mentors, faculty, and parents by creating a transparent, real-time, and accountable learning environment.

The **Student Portal** is designed to give UPSC aspirants a personal learning ecosystem that is structured, data-driven, and highly interactive.

The **Parents Portal** keeps guardians informed about their child's preparation journey—with clarity, trust, and accountability.
