## STATIC GS COVERAGE VIA DE-LIVE CLASSES

Static portions of the UPSC syllabus are taught through De-Live Classes in a Controlled Offline Learning Zone, where:

- Students attend classes on personal desktops
- Mentors are physically present
- Doubts are resolved instantly

This prevents distraction, backlog and conceptual gaps.

## PERSONAL STUDY INFRASTRUCTURE

Every student is provided:

- A personalised learning cubicle
- A dedicated computer
- Access to personalised library resources

This ensures 8–10 hours of focused, distraction-free UPSC self-study every day.

## AI-POWERED UPSC TOOLS

Students get access to:

- **AI Powered LMS:** 10,000+ topic-wise Prelims MCQs with AI Performance Dashboard- Tracks accuracy, weak areas and progress using data analytics
- **SAARTHIPEDIA:** Unlike generic news apps or AI tools, Saarthipedia filters, analyzes, and presents only what truly matters for UPSC IAS CSE. Saarthipedia is an AI-powered learning and analysis platform designed exclusively for UPSC aspirants, delivering exam-oriented current affairs, deep conceptual clarity, and syllabus-linked insights across Prelims, Mains, and Interview stages.

## ■ DAILY MAINS ANSWER WRITING

Through MAINS STUDIO:

- Students get topic-wise DPPs daily
- Answers are evaluated immediately by mentors at the offline center
- Continuous improvement in writing quality

## ■ MENTORSHIP & DOUBT RESOLUTION

The Student is supported by:

- Let's Talk Portal for faculty interaction
- Doubt Resolution

## ■ CSAT & WEEKLY TESTING

- Complete CSAT syllabus with tests
- Weekly Prelims + Mains Tests every Saturday

## ■ ADVANCED EXAM PHASE (AFTER SYLLABUS COMPLETION – PHASE 4)

Once the full UPSC syllabus is completed at the end of 24 months, students enter the exam-ready testing phase.

Mains Test Series

- 16 GS Mains sectional tests and 8 GS Full Length tests
- Designed for answer structuring, depth and writing speed

Essay Test Series

- 10 theme-based essay tests
- Includes writing technique development and evaluation
