

MAARG

Hand-Held Mentoring & Guidance
Program By SAARTHI IAS

The definitive pathway to
UPSC Civil Services success.

THE CHAOS

The Challenge

Preparing for UPSC is India's most demanding academic journey. The vast syllabus, dynamic exam nature, and need for consistent discipline make it intellectually and psychologically challenging.

The Gap

While study materials and classes are everywhere, many aspirants struggle due to a lack of structured guidance, personalized strategy, and consistent mentorship.

THE CLARITY

The Philosophy

Right guidance at the right time significantly accelerates an aspirant's preparation and improves the chances of success.

Outcome: Consistent academic engagement and disciplined study habits.

Weekly Study Plan (Meso-Evaluation)

- Completion of targeted syllabus segments
- Performance review of the week
- Conceptual discussions with mentors
- Identification of weak areas

Outcome: Evaluate progress and adjust strategy accordingly.

Monthly Study Plan (Macro-Alignment)

Comprehensive
progress
assessment

Mock test
performance
evaluation

Strategy
refinement

Strengthening of
weak subjects

The Macro Outcome:
The monthly review ensures that aspirants remain perfectly on track with their 6-month long-term preparation goals.

The DPP System

A key component designed to ensure **systematic syllabus** coverage, consistent practice, and conceptual reinforcement.

Structure:

- Unit-wise question sets
- Coverage of the entire UPSC syllabus
- Fully integrated with the study schedule

Objectives of DPPs

- 1** Strengthen conceptual understanding
- 2** Improve retention of topics
- 3** Practice applying knowledge in exam-oriented questions
- 4** Develop analytical thinking

From Chaos to Clarity: Building the Foundation

The Foundation:

Strong conceptual understanding is the absolute foundation of success in the UPSC Civil Services Examination.

How Mentors Build Deep Clarity:

1
Explain difficult topics in simplified ways.

2
Break down complex concepts into manageable components.

3
Provide subject-specific guidance.
