

# PHILOSOPHY OPTIONAL TEST SERIES

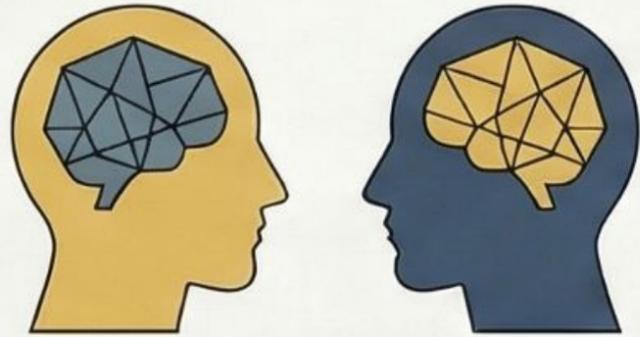

Saath to Success. A personalized, flexible, and exam-oriented roadmap to mastering the UPSC Philosophy syllabus.

**12 TESTS | MICRO-MENTORING | APPLY & APPRECIATE APPROACH**

# Saarthi IAS: Philosophy Optional Test Series

Comprehensive "Examable" coaching program for the Philosophy optional subject. Emphasizes personalized mentorship, flexible scheduling, and a structured transition from sectional topic mastery to full-length exam simulations.

## The Personalized Mentorship Model

### Personalized "Micro-Mentoring"

Individualized P2P sessions with faculty to develop strategies tailored to your specific needs.

### The "Apply and Appreciate" Approach

Topic-wise hand-holding focused on in-depth analysis and exam-centric note making.

### Ultimate Flexibility

Candidates receive date-wise schedules with the option to reschedule tests as needed.

## Test Series Structure & Curriculum

8 Sectional Tests

4 Full Length simulations

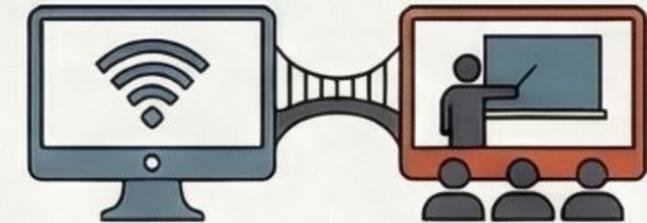

Indian/Western Philosophy, Social-Political Ideals

Philosophy of Religion

### Dual-Paper Syllabus Coverage

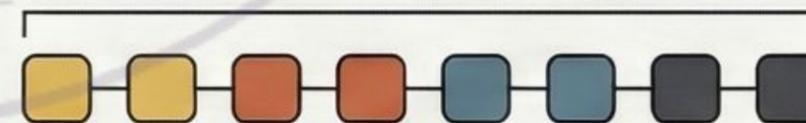

Intensive focus on Indian/Western Philosophy, Social-Political Ideals, and Philosophy of Religion.

### Hybrid Learning Modes

All tests and discussions are available in both Online and Offline modes.

### Phase 1: 8 Sectional Tests

Specific topics  
(e.g., Plato, Kant, Yoga, Social Ideals)

### Phase 2: 4 Full Length Tests

Full Syllabus  
(Paper 1 and Paper 2 simulations)

## Built Around Your Specific Needs

### Hyper-Personalized Guidance

Every candidate receives a dedicated mentor to develop a Personalized Strategy tailored to individual needs and availability. Includes a detailed, date-wise schedule.

### Apply & Appreciate Methodology

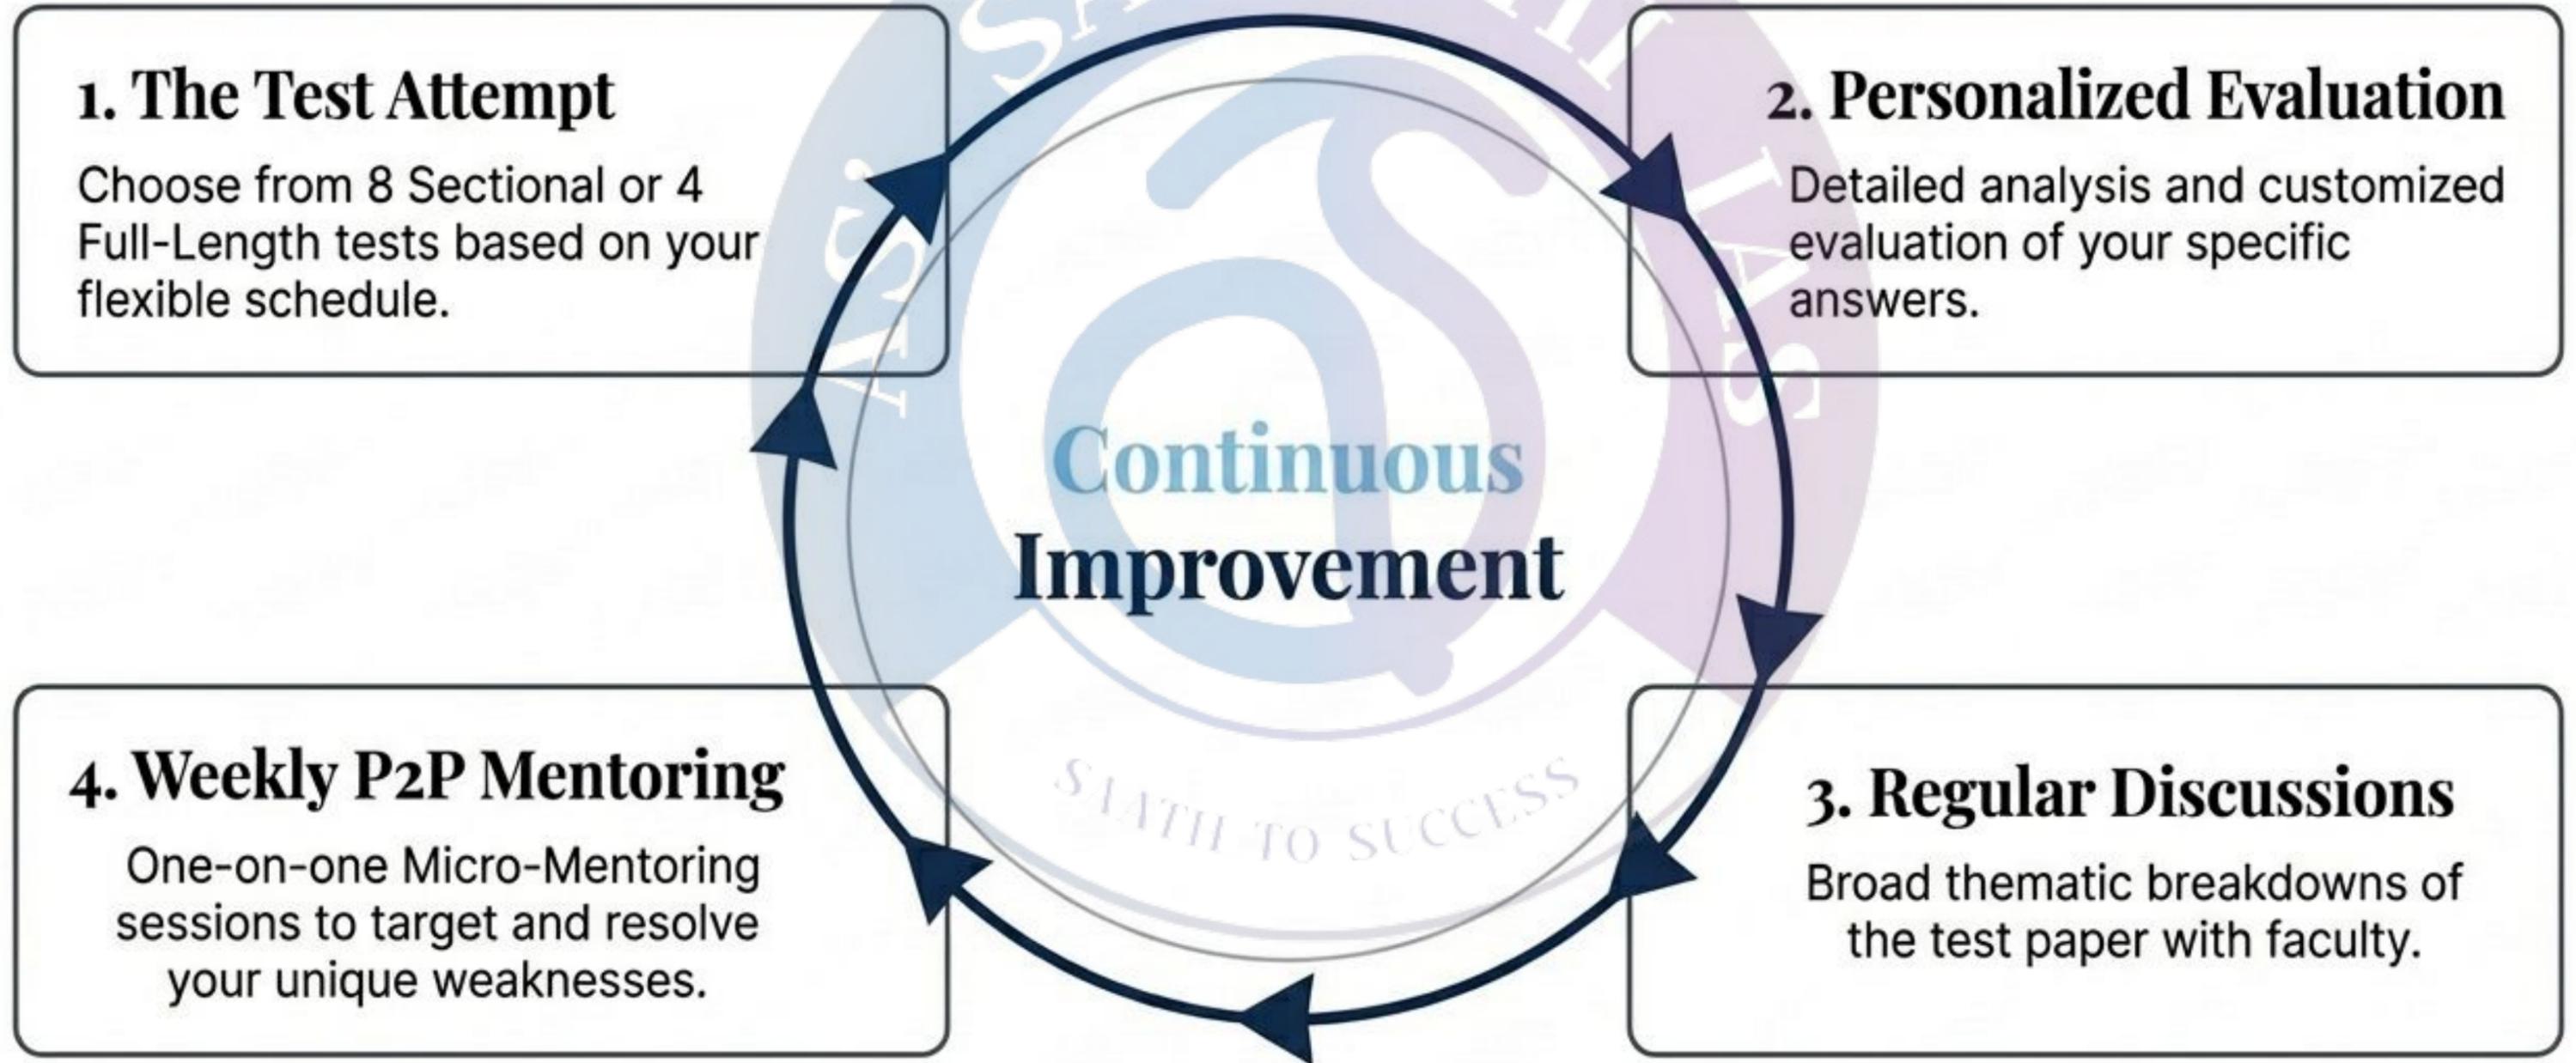

Topic-wise hand-holding and notes-making assistance. Strictly limited to an Examable Approach that focuses entirely on examination needs.

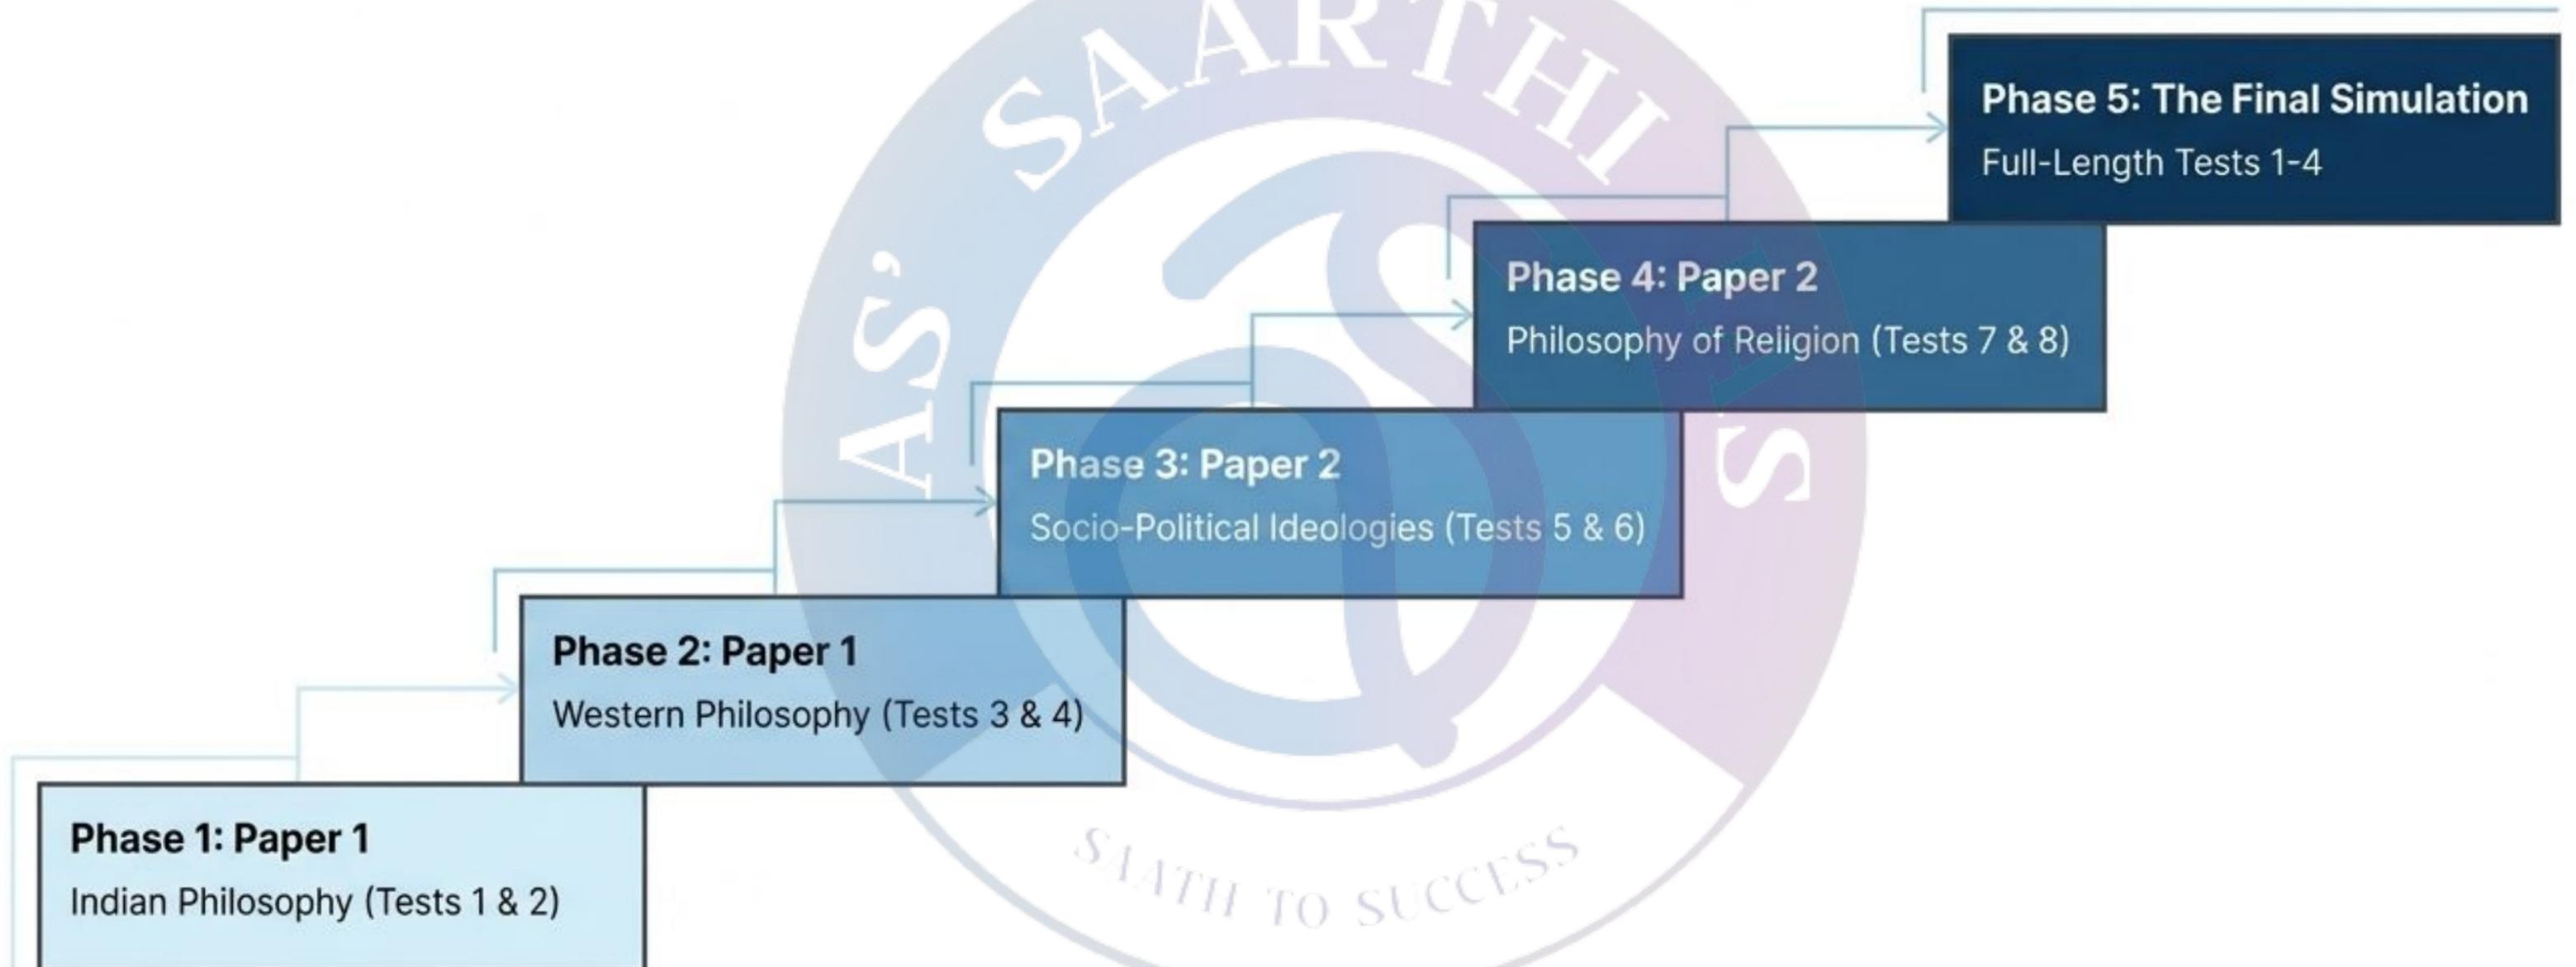

### Absolute Flexibility

Available in both Online and Offline modes. Features personalized rescheduling of any test to accommodate your specific preparation pace.

# Beyond Grading: The P2P Micro-Mentoring Loop
